

Domain and Port Listings for SWIFT Testing Platform

Use the information in this guide to help you set up for testing and identify or resolve issues. If technical problems occur during testing, first contact your local technical support or technical coordinator.

Review Your Firewall or Proxy Server Settings

- Ensure that HTTPS Inspection is turned OFF.
- Remove any cap limitations on HTTP and HTTPS communications.
- Approve and grant unrestricted access to the specified domains.

SWIFT Testing Platform Domains and Ports

Component	Domain	Port
SWIFT Main Site	https://myedassess.com	443
SWIFT Subdomain 1	https://myedassess.com/edifyAssess	443
SWIFT Subdomain 2	https://assess.edifylearning.com	443

Note: For issues with the URLs, try using wildcard entries like ***.myedassess.com**, ***assess.edifylearning.com**,

Security and Compliance

- **TLS 1.2 Protocol:** All communications with the EdAssess domains are secured using TLS 1.2, ensuring data is encrypted and transmitted securely.
- **GDPR and FERPA Compliance:** Our network setup and data handling practices comply with the General Data Protection Regulation (GDPR) and the Family Educational Rights and Privacy Act (FERPA), ensuring the protection and privacy of user data. Further information on GDPR compliance can be found here <https://www.dataprivacyframework.gov/list> and <https://www.myedpower.com/data-sharing>.
